# For Contributors

Submission of a manuscript to **ajer** implies, and is an undertaking on the part of the author(s), that neither the manuscript nor any substantially similar manuscript has been published, is in press, or is under consideration elsewhere. This is a condition for publication in **ajer**. Prior to publication, authors will assign their copyright to **ajer** by means of a standard form.

## Guidelines

- Format** Submit the manuscript in triplicate.  
Manuscripts are not to exceed 6,500 words excluding graphics.  
Use standard type and double-space throughout, including block quotations, references, and notes.  
To ensure anonymity in the review process, the author's name and affiliation appear only on the title page; the title alone heads the first page of the manuscript.  
Provide an abstract of approximately 100 words on a separate sheet.
- Style** **ajer's** editorial style conforms closely to the *Publication Manual of the American Psychological Association* (4th ed.).  
Editorial changes may be made to manuscripts.  
For spelling, consult *Webster's New Collegiate Dictionary*; spelling in quoted material remains as in the original.
- Referencing** Sources cited appear in parentheses after each reference (direct or otherwise), giving author's name (unless mentioned in text), year of publication, and page number(s) in the case of direct quotes.  
Enclose quotes of 40 or fewer words in double quotation marks in the text; indent quotes longer than 40 words in block format. Page numbers must be given.  
List all sources alphabetically at the end of the manuscript under the heading *References* using the APA style.  
Footnotes are not allowed, and the use of endnotes is discouraged; however, *necessary* brief explanatory notes, numbered consecutively and marked in the text with superscript numerals, may appear before the References under the heading *Notes*; citations in notes follow the same format as other references.
- Graphics** Number tables and figures with Arabic numerals and provide each on a separate page at the end of the manuscript. Prepare tables using tabs and without vertical lines; provide figures, charts, and diagrams in camera-ready form. Indicate placement of figures and tables in text, i.e., *Insert Table 3 here*.
- Diskettes**

If the manuscript is accepted for publication, please supply in electronic form on a diskette. WordPerfect and MS Word for Windows or DOS and MS Word for Macintosh are the preferred software. <b>Mark diskette with originator's name, program used, and program version number.</b>
---
- Research Notes** Research Notes are brief notes on research-in-progress or recently completed research, 1,000 words excluding graphics and references. Provide e-mail address, fax, and/or telephone number. Detailed guidelines are given at the beginning of the *Notes* section.

**ajer** is indexed in the *Canadian Education Index*, *Current Contents/Social and Behavioral Sciences*, *ERIC/Current Index to Journals in Education*, *Social Science Citation Index*, *Research Alert*, and *Contents Pages in Education*; appropriate articles are abstracted in *Educational Administration Abstracts*, *Educational Technology Abstracts*, *Family Abstracts*, *Language and Language Behavior Abstracts*, *Multicultural Education Abstracts*, *Psychological Abstracts*, *Research into Higher Education Abstracts*, *School Organization and Management Abstracts*, *Sociology of Education Abstracts*, *Special Education Needs Abstracts*, *Women's Studies Abstracts*, and *Technical Education and Training Abstracts*.
