Re: CJNSE/RCJCÉ call for papers

Fondest Greetings! Thank you for considering my book review for publication in the Spring/Summer issue of CJNSE/RCJCÉ. To confirm, I am a doctoral student studying in the Dept. of Curriculum and Pedagogy at the University of British Columbia, and I am readily available and most willing to work closely with a Review Editor to bring my manuscript to completion. This piece is an original and unpublished work and I agree to grant CJNSE/RCJCE first publication rights. I will not to publish this manuscript elsewhere, in whole or part, for one year after publication. The only copyrighted material is an image of the book, sourced from the publisher's website (available <http://www.sensepublishers.com/catalog/files/9789087901554.pdf>). As my book review is written in the English language, there is no need for further translation.

If you have any questions regarding my submission, please do not hesitate to contact me. Thank you kindly for your consideration.

Respectfully,

PJ Rusnak
